

This was another productive year for the school. The committee held our usual events Christmas Bazaar and Carols in December, and Christmas and Spring celebrations at the end of both school terms. The headteacher arranged a very special Finnish art day in the spring term for the benefit of all children. Finnish Theatre in London was invited to one of the school days to perform "Kolme Pientä Possua ja Melkein Iso Paha Susi".

The committee held communications via email, WhatsApp and in person as necessary. A start of term meeting was held in September 2018. Communications were made as inclusive as possible, and often over WhatsApp or email, for the committee members rarely had a chance to be present all in one go due to professional and personal commitments outside the school.

The committee members 2018-19 were:

Tiina Winnan (chair)  
Federico Catasta (treasurer)  
Sari Margossian (secretary)  
Heidi Sundvik (head teacher)  
Sanna Pettit  
Paivi Amar  
Kamal Arifi (policies)

There are currently no co-opted members. All activities of the school were represented with secretary Sari Margossian handling the front-desk, Tiina Winnan represented the shop in addition of being the chair, Sanna Pettit the café, Sari Margossian and Paivi Amar the library and Fede the treasury and banking. Heidi Sundvik was the key liaison towards teaching in her role as head teacher.

The special events of 2018-19 were:

Traditional Christmas bazaar (Dec 2018)  
Children's Christmas party and dance (Dec 2018)  
Finnish Christmas Carols (Dec 2018)  
Art day (April 2019)  
Spring party including Finnish Theatre in London visit (June 2019)  
Mid-summer celebration and camping (June 2019)

Next year 2019-2020 is promising to be equally exciting as we prepare for the Christmas Bazaar, Christmas Party and Christmas Carols in December.
